

Citrus Health Response Program

Shipping to Europe for the 2011/12 season?

- If you ship fresh citrus to Europe, there is no need to wait to request your pre-harvest survey.
- Call today to schedule your EU survey and to obtain your harvesting permit.
- Survey requests require advance notice of 48 hours or more.
- Your permit will be good for 120 days if the surveyed grove block or sub-block with 50-ft buffer is found free of citrus canker.

Call today and schedule your EU survey.
