

A message to PCO's and your customers...

BEE ALERT... Look, Listen, Run **Africanized Honey Bees are here!**

WHAT SHOULD YOU DO?

Train personnel how to safely remove and destroy feral insect nests

Educate customers about:

- where to look for bees and other stinging insects
- what to do if a nest is found, and
- what to do if attacked

IF ATTACKED, RUN FOR COVER

Run quickly in a straight line and get inside a building or vehicle

Don't swat at bees

Cover your nose and mouth

Contact a licensed pest control operator

Seek medical attention if needed
